## Judging criteria

\*Refer to your **application pack** for full details.

## Guidelines for completing form

- a) Image submission  
Images should:
  - be sent in high res version
- b) Project titles, as a rule, should be concise, in plain English and encapsulate the descriptive aspect of the project.
- c) On the Executive Summary please avoid:
  - Acronyms
  - Overly technical descriptions
  - Lengthy titles

## Executive summary (250 words)

Strive to:

- Use non-technical language
- Include five interesting facts about the project
- Attach, where possible, a press release about the project
- Give a brief synopsis of the project
- Emphasise the extent to which the project has transformed peoples lives.

Please note this information will be used for promotional material and be public facing.

Deadline for entries: Friday 31 May

# Saltire Civil Engineering Awards 2019

## Project Outline

Please explain how the eligibility and judging criteria have been met and highlight any other aspects considered relevant for assessment. Refer to the application pack for full eligibility and criteria guidelines. Please explain how the criteria has been met.

Deadline for entries: Friday 31 May

## Conditions of entry

- a Entrants must give full details of ALL project team partners (contractors, consultants etc.) and ensure that information provided in the entry is correct and approved as necessary. ICE Scotland, CECA Scotland and Saltire Society accepts no responsibility for the publication of inaccurate information supplied with the entry.
- b Please note that ICE Scotland and CECA Scotland will use the contact details provided to communicate with project partners as necessary.
- c Entry is conditional on entrants agreeing to cooperate with ICE Scotland and CECA Scotland in obtaining publicity for their schemes, which may include allowing media access to sites and spokespeople.
- d Submission of an entry is taken to imply the granting of permission to publish all submitted details and material, including images, of the successful schemes. Material relating to successful entries will be retained for publicity and archive purposes.
- e All images submitted must clearly show copyright and crediting details, otherwise ICE Scotland will assume that none are needed.
- f Judges must be allowed reasonable access to inspect Scottish projects (possibly accompanied by a photographer/film-maker) during June-August 2019.
- g The decisions of the judges in all matters is final. Judges have absolute discretion to reject any entry which does not comply with the requirements of the rules.
- h Feedback on entries will not generally be given except in exceptional cases and at the discretion of the judges.
- i By applying for this award, you give permission for ICE Scotland and CECA Scotland to contact you regarding participation in relevant ICE Scotland projects and initiatives to showcase inspirational engineering.

Deadline for entries: Friday 31 May
