DOB 19.09.2007

PERSONAL STATEMENT

Currently, I am pursuing an advanced level of Engineering Science studies. My enthusiasm lies in aspiring to become an engineering apprentice. I possess self-motivation and determination to excel in both my education and future profession. Engineering captivates me, I possess a solid grasp of engineering principles and am dedicated to starting a career within the Civil Engineering Industry.

Additionally, I am a committed team player with excellent communication and problem-solving abilities. Through participation in various group projects during my academic journey, I have come to appreciate the significance of collaboration and teamwork. Expanding my engineering skills is a priority, and a modern apprenticeship will offer me the ideal opportunity.

SKILLS

- Natural ability to problem solve
- Good communicator
- ICT skills
- Practical person, good hand skills
- People skills
- Mathematical ability
- Critical thinker
- Innovative

EDUCATION

JUNE 2023

NATIONAL 5, LORNSHILL ACADEMEY

I am awaiting my National 5 exam results for the following subjects:

ENGINEERING SCIENCE

GRAPHIC COMMUNICATION

ENGLISH

MATHEMATICS
BUSINESS MANAGEMENT
GEOGRAPHY

AUGUST 2018

STEM SUMMER CLUB, FORTH VALLEY COLLEGE – CREST AWARD

During summer 2018 I attended Forth Valley College to undertake a SCQF level 3 STEM course. The course lasted a week and over the course of the week we took part in various scientific experiments. I completed a written assessment throughout the course and attained a level 3 certificate in STEM, Science Is Fun.

WORK EXPERIENCE

JUNE 2023

TR MOBILE WELDING

I have worked alongside a welder and fabricator, assisting with labouring duties. I have also started to learn to stick and mig weld.

INTERESTS

I am a keen footballer and currently play for a local junior team. When I am not playing football or taking part in additional fitness training, I like to play my Xbox.
